Company

About Lufthansa Aviation Training Pilot Academy GmbH

About Lufthansa Aviation Training

Lufthansa Aviation Training (LAT) ranks among the global leaders in the field of flight training and employs a staff of around 700 at ten training locations in Germany, Austria, Switzerland, and the USA. Its client portfolio includes around 250 renowned airlines, among them the Lufthansa Group airlines. LAT's training equipment includes flight simulators for all common types of aircraft for pilot training, emergency and service mock-ups for the basic and further training of flight attendants, as well as numerous training aircraft for pilot training.

About LAT Pilot Academy

Lufthansa Aviation Training Pilot Academy (LAT PA) is part of the Lufthansa Aviation Training group of companies and is responsible, under the umbrella brand European Flight Academy, for the ab-initio training of airline transport pilots. While aspiring pilots receive their theoretical training at the Bremen location, the practical flight training takes place in Rostock-Laage.
