

is looking for

Co-Pilots with B737 type rating (m/f)

LuxairGroup is Luxembourg's main aviation company. It is composed of four business units: **Luxair Luxembourg Airlines**, its flagship activity, which operates regular flights to 20 destinations in Europe, **LuxairTours**, its tour operating division which serves around 40 holiday destinations around Europe, **LuxairCARGO**, a major air freight handler at Luxembourg airport, and LuxairServices, the company's airport services division.

Being one of the key players and main employers in Luxembourg and the Grande Région, LuxairGroup offers 250 different job types and employs about 2,500 people who work in a multicultural and dynamic environment. LuxairGroup is constantly looking for specialised and well-trained people who can identify with the company values - **caring, responsible, passionate** - in order to develop services that put customers first.

Required profile

- Current Type Rating Boeing B737NG
- Valid Part-FCL (European) CPL/IFR
- Valid class 1 medical
- EU/EFTA national
- English proficiency - Level 4 or greater
