## **TECHNICAL OPERATIONS CONTROL (TOC) SENIOR COORDINATOR (F/M)**

**AS A GREAT CUSTOMER SERVICE ADVISOR YOU MAKE A CONNECTION.**

**AS A CERTIFIED INTERNATIONAL SPECIALIST, YOU CONNECT THE WORLD.**

Would you like to be part of the most international company in the world? A company operating in more countries than any other who have pioneered cross border express shipping since 1969.

Would you like to be part of a business that connects people across the world? And the more we connect, the better life on earth becomes.

Do you want to make a difference? Then join our insanely customer-centric team and no matter where you work, you'll become a Certified International Specialist.

### **Your tasks**

As a key member of Technical Operations Control, you will be authorized to route airplanes on DHL network routes as well as alter routes in consultation with the network. Your responsibilities will include planning, controlling and monitoring the daily maintenance of the aircraft managed by the European Air Transport hub in Schkeuditz and other locations. Your work will also involve advising maintenance personnel of aircraft movements and tasks to be performed during turnarounds. You will furthermore assist in third-party activities, and communicate with aircraft crews in case of technical problems, ensuring safe and reliable air operations while avoiding unnecessary delays and flight cancellations.

### **Your profile**

- Fully trained as an aircraft mechanic, with at least 5 years of experience with wide-body aircraft, preferably in a large maintenance operation
- Holder of Part 66 Cat B1 or Cat B2 AML, rated for at least 2 aircraft types
- Comprehensive knowledge of operational procedures
- Very good spoken and written English and German, including technical terminology in English
- Able to work well under stress in meeting multiple deadlines
- Flexible, collegial, able to solve problems, make decisions, and explain issues clearly to others

### **Your benefits**

We offer excellent employee benefits, a competitive salary package, and great development opportunities.
