

As the Italian airline of the Lufthansa Group, Air Dolomiti has been connecting the most important Italian airports with Germany since 1991, especially the hubs Munich and Frankfurt. The fleet currently consists of Embraer 195 and Embraer 190 aircraft with up to 120/100 seats. Our claim: Efficiency, service and passenger care at the highest level. In doing so, we combine our Italian roots with the characteristics of our parent company.

For our Munich station of Air Dolomiti Deutschland GmbH, which has been in operation for over 20 years, we are looking for Certifying Staff CAT B1. Your field of activity includes the execution of maintenance and repair within the scope of line maintenance.

What we offer:

- A varied range of tasks
- A good working atmosphere in a small team
- An attractive recruitment salary with 13 salaries
- Allowance for shift work on weekends/holiday with a guarantee component
- 30 days vacation
- German employment contract
- Sodexo meal vouchers
- Discounted flight tickets for Air Dolomiti, Lufthansa and partner airlines

Requirements:

- Valid EASA Part-66 CAT B1 license (EMB190/195 type rating an advantage, not a requirement).
- Class B driver's license
- Good English language skills, German language skills appreciated
- Valid EWIS, FTS and Human Factors certificates
- Willingness to work in shifts (early and late, no night duty)
