

How to find us from Hamburg Airport

Most flights arrive at Terminal 1 or 2 of the Hamburg Airport. Step out of the arrival hall, make a right and follow the "Flughafenstraße" southbound to the 2nd signal. Take another right here into the "Weg beim Jäger". After about 250m make a left into the "Obenhauptstrasse". After another 500m make a right into "Geschwister-Beschütz-Bogen". Obenhauptstrasse 5 is the second building on the left side. Our offices are located on the 1st floor. The average walking time is approx. 20 min.
